SRMAP receives SWAYAM-NPTEL 'A' rating

SRM University-AP is happy to announce that it was recognised by NPTEL SWAYAM as a valuable local chapter with an 'A' rating for the year Jan-Dec 2021. The rating is based on the performance of students who took the examinations for various SWAYAM courses.

SWAYAM has awarded a plaque to SRM University-AP and a certificate of appreciation to Dr Satya Pramod Jammy for his role as the university local Coordinator. It is a great achievement for the young university.

The philosophy behind this mode of education is to facilitate the interests of students who have an interest in courses that transcend the conventional curriculum and give them a unique edge over their peers. SRM University-AP encourages students to study these from SWAYAM and other MOOCs available. Their performance in the examinations conducted by SWAYAM will earn them grades and credits. This was made available to the students for the first time in January 2021 which opened a plethora of opportunities to the students, and they have enjoyed this new learning possibility.

In the year 2021, a total of 470 students registered for various courses. The pass percentage is a whopping 90%, there are 17 students in the top 5%, 4 students in the top 2% and one student in the top 1% of their respective courses. 69 % (321) of the students are in Elite and higher categories. 5% students received Elite+gold award, 30% receiving Elite+silver and 35% receiving Elite certificates.

Dr Satya Pramod Jammy is pleased with all the students for their active participation and their brilliant performance. Obtaining an 'A' grade in the first year of implementation stands as a testament to the academic excellence of SRM University-AP. Dr Jammy is also thankful to all the department level coordinators, Dr Tapas, Dr Sreenivasulu, Dr Rajiv, Prof. Jayaseelan, Dr Malavika, Dr Ramanjaneya Reddy, and Dr Mong for encouraging the students and actively participating in the discussions. Mr V. Srinivasarao (Asst. Librarian) was instrumental in setting up SWAYAM in a short period.

Dr Jammy expressed his gratitude to the Vice-Chancellor, Prof V. S. Rao, Deputy Dean Academic affairs Dr B. Siva Kumar and the entire University management for their support in making this a possible endeavour and its glorifying success.
